

2010 Computing Senior Survey

Frequently Asked Questions

Why should I do this survey?

The results from this survey will be important in developing future computing and research programs for undergraduate students. The survey will only take around 10 minutes, and upon completion of the online survey you will have the option to receive a gift card to either Target or Barnes & Noble.

Who is sponsoring this survey?

The survey is sponsored by the [Computing Research Association](#), which is a national organization that “seeks to strengthen research and advanced education in computing and allied fields.”

How was I chosen to be contacted for this survey?

You were chosen because you are a graduating senior in a computing field at a US college or university.

What will you do with the data?

The Computing Research Association will use the data to learn about the experiences of computing undergraduates and improve their research programs for students.

Will my personal information be used for anything else?

No, your personal information will be kept completely confidential, and will only be used for follow-up reminders to students who have not yet completed the survey, and to send you a gift card afterward to show our appreciation.

Who do I contact if I need help with the questionnaire?

If you need help completing the online questionnaire, please contact the Center for Survey Research at surveys1@virginia.edu, or call (434) 243-5222.

If you have questions about the survey, please contact Robin Bebel, Project Coordinator, at rbebel@virginia.edu, or (434) 982-5541.

If you need your username and password sent to you again...

Please email surveys1@virginia.edu with your request.
